

# PGHW

## Industrial-Duty, Self-Contained, Gasoline-Powered, Hot Water Pressure Washer

- Up to 8 GPM; Up to 5000 PSI
- Honda, Vanguard or Kawasaki Engines
- Belt-Drive Pump with 7-Year Warranty
- 2,000 Watt Generator

■ Rugged tri-plunger **High-Pressure Pump** with forged brass head and 7-year warranty, is connected to the engine by a belt-drive assembly that features cast-iron bushing **Pulleys** and two notched "V" cogged belts, which provide a cooler operation and longer life.

■ Trailer-ready with pre-drilled **Trailer Mounting Brackets** and pre-plumbed with **3-Way Valve** to bypass float tank when drawing water directly from an auxiliary tank. (PGHW5-50524E not trailer ready)

■ High-efficiency **Burner** is mounted on the end for ease of servicing and adjustments.

■ **Power Platform** is mounted on vibration isolators to extend the life of the key components.

■ **2,000 Watt Generator** produces reliable power for burner.

■ Heavy-duty **Fuel-Water Separator** has replaceable element for removing water that can damage burner fuel pump.

■ **Rupture Disk and Thermal Pump Protector** protect against excessive heat or pressure.

■ Rugged, 1½-inch square tube **Open-Air Frame** with **Forklift Guides** allows easy access and serviceability and is protected by an all-weather resistant **Epoxy Powder Coat Finish**.

■ Industrial-duty **Gasoline-Powered** Honda, Vanguard or Kawasaki engine with overhead valves; all have keyed **Electric Start**.

■ Helpful **Trilingual Labels** with operating instructions in English, Spanish and French for owner and operator protection.

■ Many **Safety Features**, including redundant devices such as a rupture disk, thermal pump protector and high-temperature shut down to guard against any buildup of excessive pressures or heat.

■ Conveniently placed **Control Panel** can be relocated to front of machine and features **Adjustable Thermostat** to control temperature, and **Hour/Tach Meter** to indicate engine speed and total operating time.

■ Adjustable **Detergent Valve** for precise high-pressure metering of soap. Optional **Steam Valve** provides on-demand wet-steam cleaning. (steam valve standard on PGHW5-50524E)

■ Rust-free **Float Tank** with stainless steel inlet filter provides backflow protection and inlet **Detergent Injection** for applying soap while washing in high pressure mode.

■ 50 ft. of 3/8", double-wire braid **Tuff-Skin Hose** featuring a 24-inch **Hose Guard** for burst protection.

■ Durable polyurethane **Battery Box** protects battery and is easy to access.

■ Gasoline (5 gallon) and diesel (10 gallon) tanks feature elevated fuel lines to prevent debris in fuel from causing damage. (Gasoline tank is 10 gallons on PGHW5-50524E and 1.5 gallons on PGHW4-30324E)

■ **EASY!Force Trigger Gun** with cruise control like technology uses its own recoil force to hold the trigger down - so, no more sore hands after hours of use. **Variable Pressure Wand** make it easy to switch between wash and rinse modes. (PGHW5-50524E has straight-thru wand).

■ Four **Quick-Couple Nozzles** are made of hardened stainless steel and are mounted for ready access.

## WHY CHOOSE THE PGHW

There is a reason this model has been our most popular skid unit for over two decades – classic rugged design with a compact footprint. Whether you drop this into the bed of a pickup or mount on a custom trailer, this gasoline-powered machine is meant to travel to wherever the dirt and grime needs to be attacked. With models capable of delivering up to 5 gallons of water per minute and up to 5,000 pounds per square inch of surface pressure you can choose a model tailor fit for your individual cleaning application. You will find this model a favorite among contract cleaners, facilities managers, municipalities, and oil field service companies because it delivers solid performance and unmatched reliability.

## SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.
