MAXIMUM PERFORMANCE IN A COMPACT DESIGN

A maneuverable, light weight and compact cold water pressure washer for convenient on-site operation.

PROFESSIONAL | PRO HD 400 ED

PRO HD 400 ED

Practical anywhere.

The PRO HD 400 ED is a light weight, durable and compact cold water pressure washer that offers ultimate mobility for on-site applications and is designed to be stored, transported and operated in the vertical and horizontal position. It's features include a reliable 3-piston axial-pump with a brass cylinder head, an automatic pressure relief system for protecting the pump and storage options for accessories. This unit is certified to UL and CSA safety standards.

Shown with optional surface cleaner 2.111-016.0

1 Mobility and Durability

- Additional carrying handle for easy transportation to various locations, loading and unloading, and moving over stairs.
- Extendable push bar handle allows for easier maneuverability, control and storage.
- 3 piston axial pump with brass cylinder head.
- Automatic pressure relief system for protecting the pump.
- Removable and easy to clean water inlet filter that protects the pump from debris.

2 Vertical and Horizontal Operation

- Vertical and horizontal operation for maximum flexibility, safety and stability.

3 EASY!Force Trigger Gun

- EASY!Force technology holds the trigger down once you start it, avoiding the strain on your hands associated with other trigger gun.

4 Storage

- Rubber strap for secure storage of high-pressure hose.
- Nozzle compartment for rotary nozzle storage and protection during transportation.
- Screw joint for surface cleaner storage.
- Integrated, high walled storage area secures the spray wand, protecting it from potential damage during transportation.
